

At Deep Fork Grill our primary pursuit is that of providing an extraordinary dining experience. This wine list is a reflection of that goal. Feel free to ask questions and to explore wines you may not have tried. Of particular interest as of late we added a **Domaine du Salvard Sauvignon Blanc** for the lovers of a crisp, dry, summery white wine. Also for the connoisseur that enjoys a big, bold red wine regardless of the season we are featuring the **Ben Glaetzer “Wallace” Shiraz** from Barossa Valley.

We proudly pour six ounces in every wine by the glass for your enjoyment.
